

## PRODUCT INFO

### motivations™ VIDEO DISPLAYS

Introducing Motivations™, a dynamic video kiosk that is affordable, eye-catching and easy to use. Its beautiful housing conceals a powerful Dell® computer, a pop-up keyboard, and a stunning 19" LCD color display.

Because it runs PowerPoint® presentations, you can quickly generate and update exciting and motivating promotional or informational displays in a snap!

Additionally, Motivations™ open architecture allows you to run whatever software application you choose!

## HOW TO ORDER

Motivations displays are not available online at this time. Please download an order form and fax to VGS or call our Customer Service Department at 800-203-0301.
