Need a Custom Design?

If you require a specialized display, the VGS team can create an entire Ovation promotional system with custom signs, banners and accessories to meet your specific needs.

New! Ovation® GripFlex® hold and release system keeps your graphic inserts tightly in place.

Update Options You Control

You're in control with our exclusive MagaLens® system, simply lift the durable Lexan® cover and install your printed graphic inserts in second. Designed for the digital age, VGS fixtures use plain paper inserts you can generate from conventional laser and inkjet printers. And with our Sign-O-Matic™ software, you can design and print your own inserts like a professional!

Design, Build & Buy It Online!

VGS' unique "online builder" allows you to choose between a wide variety of sizes, finishes, MagaLens® layouts and message options. You're only a click away from a display solution that will meet all of your marketing needs. Our complete line of distinctive display fixtures is available online at www.vgsonline.com
