

**Sneeze Guard item identifiers are affordable, flexible and easy to use.**

**MagaFrames™**

These unique products provide a brand new way to create attractive, easily changeable displays on any smooth surface. Simply peel off the protective paper and apply the self-adhesive magnetic border to your sneeze guards. The convenient lift-up MagaLens® allows you to quickly and easily update inserts. MagaFrames™ provide a way to professionally organize, display and manage ever-changing information.

**Stainless Steel**

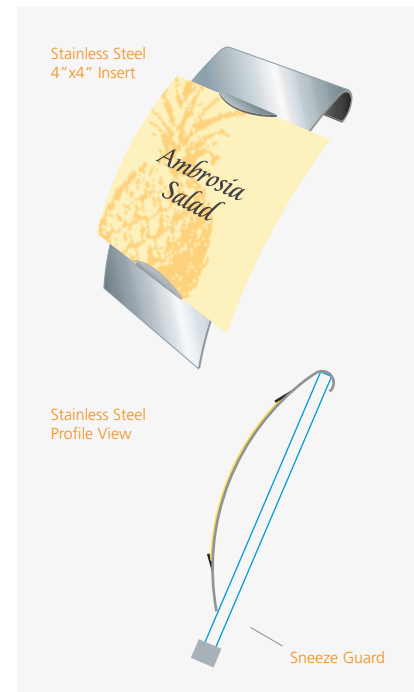

Stainless steel sneeze guard item identifiers hook over the top of the unit and can easily be moved and updated to display your current offering. This unit holds a 4"x4" insert with a protective cover.

**Sign-O-Matic™ Inserts**

Sign-O-Matic™ is a user-friendly software that enables you to easily design and print professional inserts. It even maintains and organizes a complete database of your menu items and messages.

**Customized Design**

Customized designs by VGS' in-house design group, Studio D, are available by special order.
